CONSTITUTIONAL REVIEW

CALL FOR CONSTITUTIONAL REVIEW INPUT

As the constitution mandates a review of the NUGS-China constitution every five years, the NEC calls upon members with suggestions for the constitutional review to submit to their Chapter Judicial Committee(CJC). However, Chapters without CJC or members' from cities without a Chapter should submit their reviews on the website using the link below;

<https://www.nugschina.org/constitutional-review/>

Members can also access the link below for the NUGS-China constitution :

<https://www.nugschina.org/media/downloads/>

INAUGURATION OF NEW CHAPTERS

NUGS GUANGZHOU AND NANCHANG CHAPTERS (FRIDAY 8TH NOVEMBER, 2020).

ANOKYEWAA MELODY ABENA
Guangzhou President

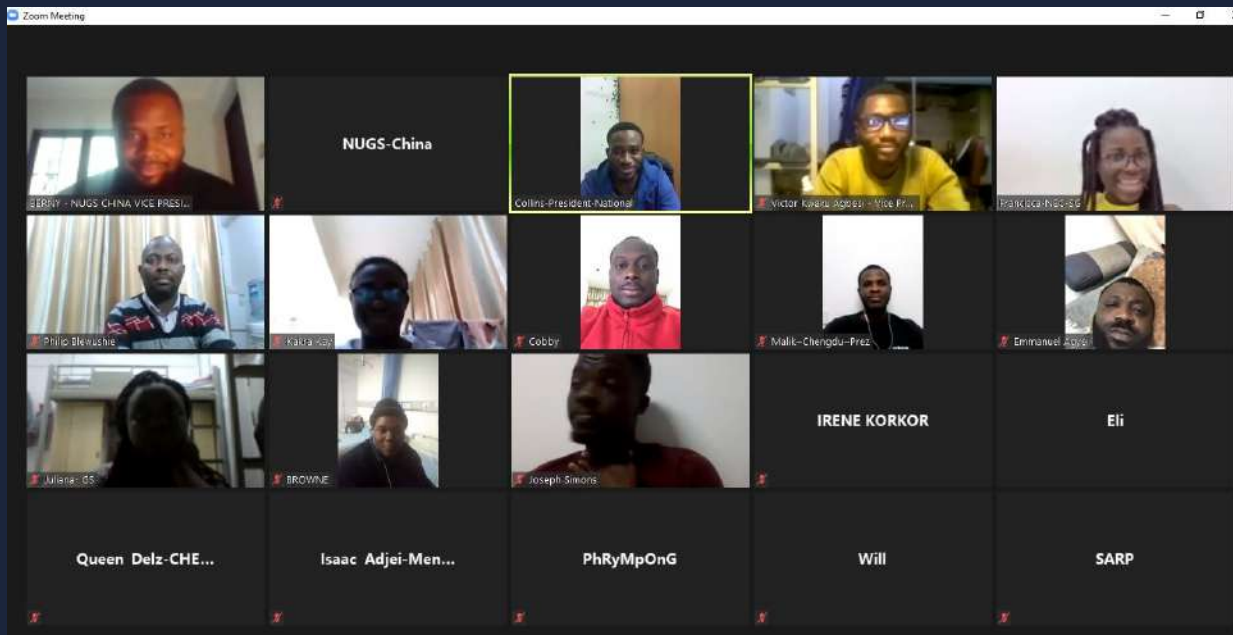

IBNALI ISSAH KULO
Nanchang President

Due to the COVID-19 situation that has made it quite difficult for members to converge at a place, the inauguration and swearing-in was held on zoom meeting. Present at the inauguration were the members of the National Executive Committee, members of the two newly formed Chapters (Guangzhou and Nanchang), and their respective Chapter executives. The inauguration and swearing-in sessions were led by Hon. Derick A. Cudjoe (NJC chair).

CHAPTER VISITATION

As part of the objectives of the current administration to enhance membership drive, the NEC visited most Chapters within the month of October to acquaint themselves well with members and encourage members to be active with the Union's activities.

ENGAGEMENTS & ACTIVITIES

Share Industrial/Academic Skills

**SkillUp
Masterclass
Program**

Do you have any Industrial or Academic skills to share?

SUBMIT APPLICATION TODAY

 **Call For Instructors** (Online & On-Site)

www.nugschina.org

SKILLUP PROGRAM

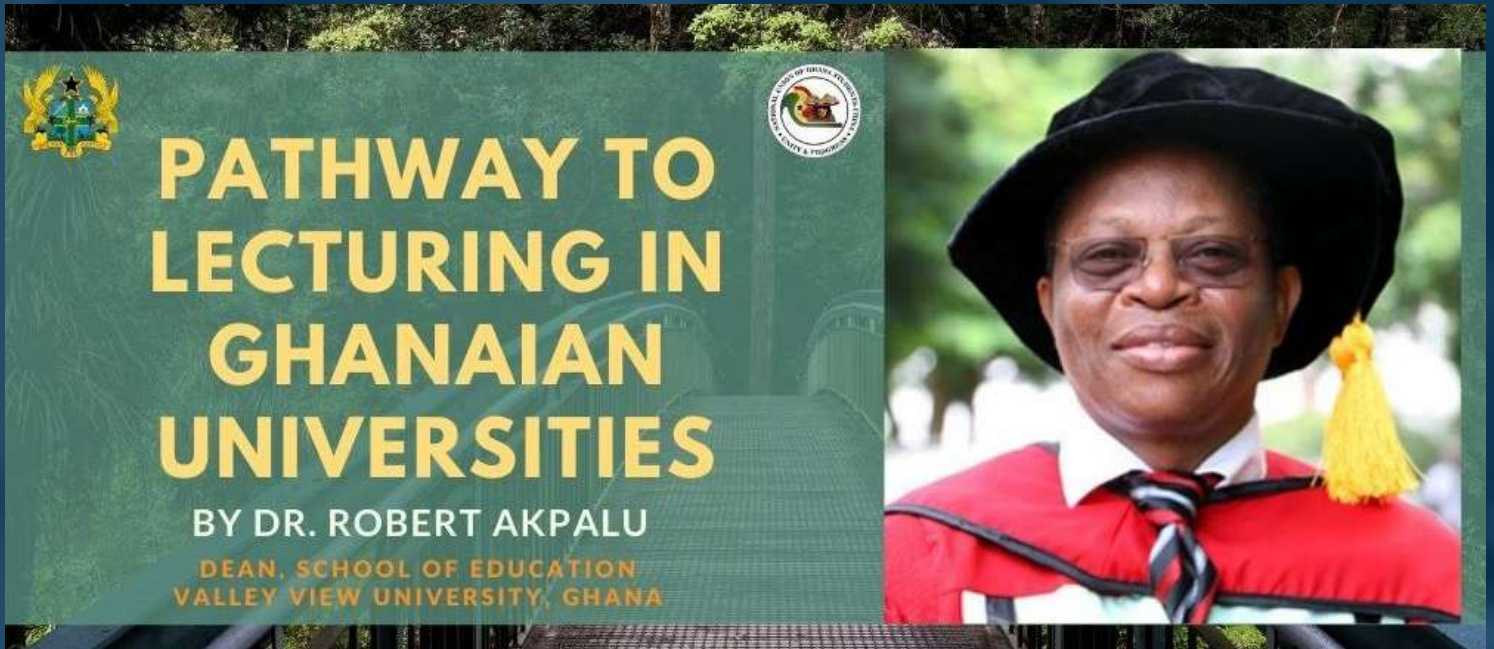

NUGS-China SkillUp is an educative program that offers academic training and certification to members via an online or on-site medium of courses instruction. NUGS-China SkillUp program covers a broad range of subject areas including Computer Science and Engineering, Software Engineering, Chemistry & Materials Science, Social Sciences, Earth Sciences & Geography, Physics, Mathematics, Business & Management, Economics & Finance, Natural Resources & Conservation, Civil Engineering, Agriculture & Agric Operations, Information & Communication Engineering etc.

CALL FOR INSTRUCTORS

NUGS-China is seeking for members with industrial or academic knowledge who are willing to share their expertise with members. Details about the NUGS-China lab can be accessed through the link below:

<https://www.nugschina.org/nugs-china-lab/>

MENTORSHIP PROGRAMME

A mentorship program organized to equip members with necessary information to be lecturers. Further info and video recording can be found below

<https://www.nugschina.org/pathway-to-lecturing-in-ghanaian-universities-by-dr-robert-akpalu/>

WEEKLY SPOTLIGHT ICON

The spotlight icon is a new series where one or two members are featured on the website during the week. The rational is to showcase members to outsiders who visit the website and social media handles (ie. creating opportunities for the member or spotlight icon). The Union also stands a chance of expanding its presence and awareness to a lot of people (through sharing)

<https://www.nugschina.org/spotlight/>

NEW FEATURES ON THE WEBSITE

SELLERS VERIFICATION

To have a comprehensive information about members who advertise their products and services on the WeChat hall pages, members are entreated (all sellers) to visit the website and apply for verification. This will help reduce fraud and provide members with enhancing services from these entrepreneurs.

ARTICLE PUBLICATION

A new section on the website has been created for members who have articles to share. Members can now submit their articles, stories, and motivational messages for publishing on the website. Kindly visit the website to submit your article for review and publishing on the website.

<https://www.nugschina.org/articles/>

NEW FEATURES ON THE WEBSITE

ACADEMIC RESOURCE SHARING

NUGS-China has created a platform on its website where members can share any academic resource link for others to also have access to.

This is to help make academic resources easily available to members.

<https://www.nugschina.org/academic-resources/>

CERTIFICATE VERIFICATION

Certificates are more than just a badge of honor. They give members more reason to be committed to the purpose of this union. This new feature allows certificates issued by NUGS-China to be verified by anyone on the website.

This will increase the credibility of certificates that we issue out to our members

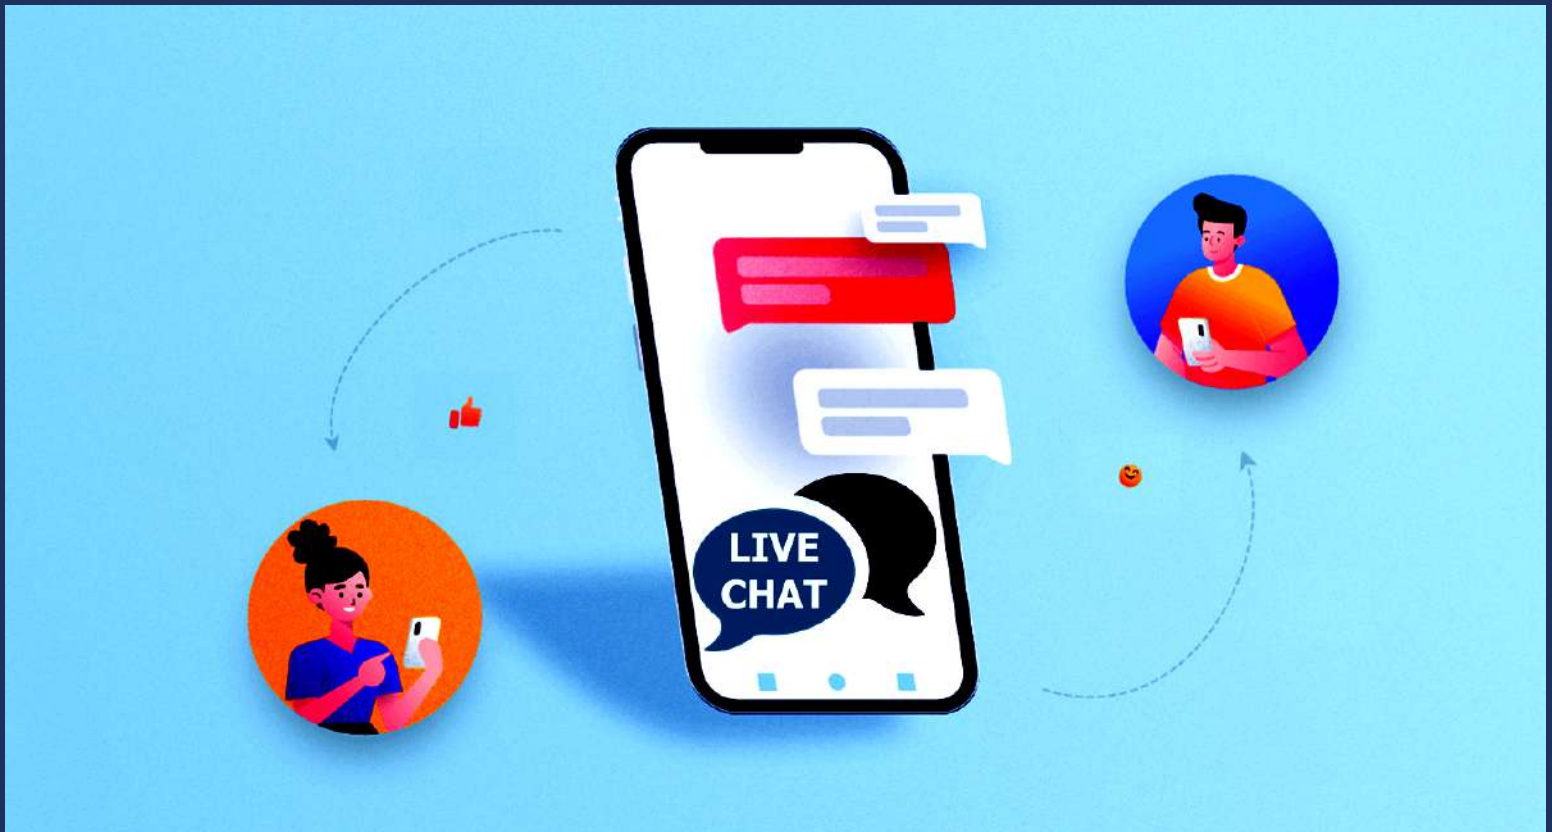

https://nugschina.org/portal/certificate_verify.php

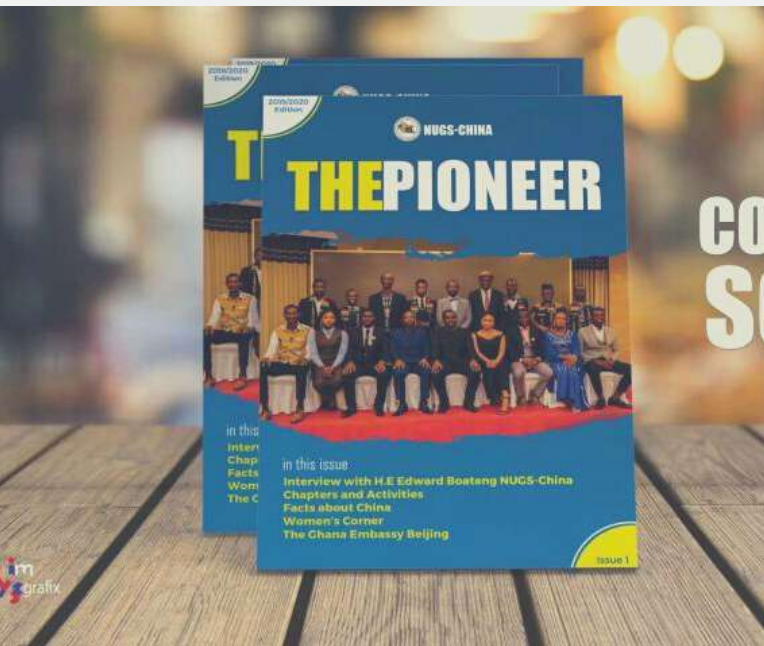

NEW FEATURES ON THE WEBSITE

LIVE CHAT

Having an online presence to serve our visitors is serving as a backbone to our union, playing a crucial role in building a sustainable member base and allowing the union to flourish. In this digital age, live chat is an integral part that provides a platform to communicate with visitors in real-time is an excellent way to connect with and support them.

The live chat system has greatly increased the satisfactory level of our visitors

MAGAZINE LAUNCH

NUGS-China wishes to inform the general public about the release of the 2019/2020 NUGS-China magazine. Members who requested for copies have received them.

NEWS HEADLINES

For students in China to be informed on current happenings in Ghana, the union furnish members with News Headlines from the various news outlets in Ghana in a video ad.

WOMEN'S COMMISSION ENGAGEMENTS

BREAST CANCER AWARENESS

On October 10th, 2020, a virtual breast cancer awareness and mental health awareness panel discussion was held, to encourage women and men to prioritize and pay more attention to their breast and mental health.

CHAPTER ACTIVITIES

NUGS-JINHUA

An exciting football match between Ghana and Mauritania was held in a befitting manner on the Zhejiang Normal University football field. In the match, Mauritania defeated Ghana by 6-2 goal. The match was attended by the students of Zhejiang Normal University who came to cheer them on. The match was full of excitement; both teams tried their best to win and both of them were equally strong and showed their excellent skill and performance.

NUGS-XUZHOU

On 14th November 2020, a cultural festival was held for international students in Xuzhou by the China University of Mining and Technology. All Ghanaian Students were invited to help showcase our culture to the world. We sang our indigenous songs and danced to their rhythm which made the Chinese and other foreigners fell in love with the Ghanaian culture. The main event was the display of local foods. We chose to serve Banku and Tilapia which is one of the numerous mouthwatering delicacies in Ghana. The turnout was high and it was a successful program.

CHAPTER ACTIVITIES

NUGS-HUZHOU

A trip to Ren Huang Mountain

On the 4th of October 2020, members of NUGS-HUZHOU embarked on a trip to the Ren Huang Mountain of more than 3400 steps in Huzhou. Students from other countries also joined. The trip was accompanied by (Dzama) which attracted many tourists including Chinese to dance.

Oral Health Education

On the 22nd of November 2020, an oral health education was held by NUGS-HUZHOU. The program was also attended by members from other chapters. The resource person for the presentation was Dr. P. Edem Nukunu who spoke on periodontal diseases such as tooth plaque and halitosis and linked periodontal diseases to other diseases such as diabetes.

Marriage Seminar

On 30th November 2020, the chapter held a marriage seminar on Zoom, resourced by Rev. Mrs. Charlotte Oduro. She spoke on the roles of both partners in making the marriage successful. The attendance was so massive comprising members from other chapters.

CHAPTER ACTIVITIES

NUGS-YICHANG

INDOOR GAME

On the 2nd and 4th of October, Indoor games were organized with the aim of bringing Ghanaians together and strengthening the ties among members, and also to help members get over the boredom of being lockdown for a long time because of the pandemic. The first half of the games being knockouts for the PES/FIFA commenced at 3:00 pm with an introductory speech by the President of the Chapter - Hon. Amoh Mensah Akwasi. With the other indoor games (Ludo, scrabble, cards, and chess) being played alongside simultaneously by members that had an interest and those that came to cheer on their persons for the FIFA/PES competition. The 2nd half of the finals was on the 4th October, 2020, winners were given cash prizes. All in all, it was a memorable one that left a mark in the hearts of the members and those that participated.

CHAPTER ACTIVITIES

NUGS-XIAN

FRESHERS WELCOMING

CEREMONY on 16th, 17th and 18th of October, 2020, a welcome ceremony was organized to welcome and orientate the new students to NUGS Xian. On the 16th October, an online program dubbed 'Know NUGS Xian' was organized to introduce new students to the current Nugs executives, tell them about the city and also reiterate the importance of NUGS and the role they needed to play as new students. We hosted the presence of NEC representatives who graced the occasion. An outdoor bike event at the city wall was organized on 17th October where new students met and acquainted themselves with other new students as well as the continuing students and executives. 18th October was the final day of the program and was characterized by Hongbao games and truth or dare on the association group.

On 28th November, 2020 the association organized a lively and educative 4-hour program on Zoom Meeting called **STUDENT LIFE TALK**. During the program, Dr. Nurideen Armah from Jiangsu University, Elder Amos Kevin-Anna, a healthy home advocate, and Dr. Kwame Asumedu from University of British Columbia (Canada) were invited as resource personnel to grace the occasion.

CHAPTER ACTIVITIES

NUGS-ZHENJIANG

Launch of Food Support System Program

The welfare committee launched a food support system program on 3rd October, 2020. The program was supposed to support members in dire need of food. Funds were raised from benevolent members and guests. In all, a little over 2,500 yuan was raised for the program.

Aerobic Exercise

An aerobics exercise was organized for members in China on 17th October, 2020. Although the attendance was not encouraging, participants enjoyed the exercise as the facilitator took us through very helpful, entertaining and fun-filled aerobics.

Welcoming of Freshmen

Freshmen were given a rousing welcome to the Chapter on 19th December, 2020. During this program, a postdoctoral fellow in Jiangsu University, a current student and our financial controller gave presentations on various subjects including the importance of being a member of NUGS and their responsibilities, how to survive in China as a student.

CHAPTER ACTIVITIES

NUGS-CHENGDU

25th of December, 2020, marked the International Day for Elimination of Violence against Women. With this day in mind, The NUGS-Chengdu WOCOM with her planning committee commemorated the day by sharing a campaign video and photos to say “NO TO DOMESTIC VOILENCE AGAINST WOMEN”.

On the 4th of December, 2020, NUGS-Chengdu Women's Commissioner organized a Ladies Night. The theme of the program was “MEET AND GREET”. It was a night where NUGS CHENGDU ladies got to interact and also discuss new ideas on activities that will promote unison amongst them. We were very honoured to be graced by our very own NATIONAL WOCOM, IRENE KORKOR AGBENU who gave us a wonderful speech and good words of encouragement. It was a very exciting program, where we had the NUGS-Chengdu President and Vice present. They cheered the occasion and encouraged the women to partake in most of the activities that will take place as the Academic year continues.

On the 13th of December, 2020, Chengdu Chapter held its maiden academic seminar dubbed “ROADMAP TO ACADEMIC SUCCESS I” which was a collaboration between the Chapter and the International Student Office of University of Electronic Science and Technology of China (UESTC). It was a virtual program with the aim of empowering and further promoting the academic progress of NUGS-Chengdu members and the international student community of University of Electronic Science and Technology of China (UESTC).

In addition to these programs, there have been series of activities on the NUGS-Chengdu WeChat platform in order to keep members active and appressed with issues. Such activities include, Hongbao games, which is the favourite game of members, Personality hot seat, Debates on various issues among others.
